PART 5314--SEALED BIDDING

SUBPART 5314.1--USE OF SEALED BIDDING**5314.104 Types of contracts.****5314.104-90 Firm-fixed-price materials reimbursable contracts.**

(a) When it is desired to purchase the repair and overhaul of items on the basis of a firm-fixed-price for the services with reimbursement for cost of materials used, such acquisitions may be solicited using sealed bid procedures when--

(1) The cost of the direct materials to be used will be relatively small in relation to the total cost of the repair and overhaul services; and

(2) It can be reasonably expected that the materials for which reimbursement is to be made are available to all bidders at basically the same price.

(b) The IFB and the resultant contract shall--

(1) Adequately define the material for which reimbursement is to be made;

(2) Limit reimbursement to the contractor's actual cost of such reimbursable material (including cash and trade discounts, rebates allowances, and commissions); and

(3) Contain adequate controls to limit the purchase of reimbursable materials by the contractor. The IFB shall not require bidders to furnish estimated prices of the reimbursable materials nor will the cost of such materials be considered in the evaluation of bids.

SUBPART 5314.2--SOLICITATION OF BIDS

5314.205 Solicitation mailing lists. If preinvitation notices are used, include the applicable small business size determination in the notice and in the transmittal to the Commerce Business Daily and require prospective bidders to state in their replies to the notice whether they qualify as a small business concern. Do not make a determination regarding a set-aside (FAR Subpart 19.5) until replies to the notice have been received to determine the extent of available small business competition.
